

INTEROFFICE MEMORANDUM

TO: Don Norseth, Distribution Engineer

FROM: Mark Page, Southeastern Area Engineer

RE: Water Commissioner, Nine Mile Distribution System

RECEIVED

MAY 22 1980

WATER RIGHTS

Dear Don:

A week or so ago I visited with Sharp Bryner about being one of the commissioners on the Nine Mile Distribution System. He agreed to regulate the Minnie Maud section of the system and at the end of the season request any reimbursment that he felt was necessary.

I am still trying to get in touch with Nev Wimmer to check on a man to regulate Argyle Creek and the Nine Mile area. I will be in touch as soon as possible concerning this matter.

Mark
